

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

TREATED SEWAGE ADJUSTMENT FILING OF ) CASE NO.  
WARREN COUNTY WATER DISTRICT ) 2016-00431

ORDER

On January 6, 2017, the Commission entered an Order approving a treated sewage adjustment factor of (\$0.54) per 1,000 gallons for Warren County Water District (Sewer Division) ("Warren County") pursuant to the treated sewage adjustment procedure.<sup>1</sup> The Commission also approved the new rates as proposed by Warren County and set forth in Appendix B to that Order. Upon review of that Order, the Commission finds that the monthly sewer rates for 1½-inch meters, 2-inch meters, 3-inch meters, 4-inch meters, and 6-inch meters in all areas inside the city of Smiths Grove were inadvertently omitted from Appendix B to the Order. The Commission finds that the omission should be corrected by amending Appendix B to the January 6, 2017 Order to add the omitted rates. The Appendix to this Order includes all of the new sewer rates approved for Warren District.

The Commission, on its own motion, HEREBY ORDERS, that:

1. Appendix B of the Commission's January 6, 2017 Order is amended, *nunc pro tunc*, to include monthly sewer rates for 1½-inch meters, 2-inch meters,

2. Warren County's proposed rates as set forth in the Appendix to this Order are approved for sewer service rendered by Warren County on and after January 1, 2017.

3. All other provisions of the Commission's January 6, 2017 Order shall remain in full force and effect.
